Customer Reviews

Ms. Kitt has put together a collection of wives who help their husbands and couples on vacation who decide to experiment. A scratch gets fixed on a car and a bachelor has special entertainment at his bachelor party. She has put together an eclectic set of stories that fit very well together. I received this set for an honest review. A few examples: *Unfolding*: Jack and Charlie, married couple, took vacation at a hotel to reconnect. *Big Bonnie*: Bonnie has a crush on her neighbor, Michael. *Catfish* becomes a special meal for them. *Billionaire Gang*: Kelly was tired of her wife swap life. She meets the owners of the Billionaire's Club and life gets interesting. *Cosmetic Damage*: Paula offers an incentive to the mechanics to get her husband's car fixed before he comes home.

I received this ARC for an honest review. Being a new reader to these Authors I was not entirely sure what I was about to read. Occasionally I find myself wanting to flip through pages of a book when the sex scenes drag on and lose my interest a bit, because I feel like I've read just about the same material in previous books. When I started this book I was expecting the same reaction, but I found myself very surprised. These Authors definitely know how to hold your attention when steaming up a page. I found myself clinging to every word even though I probably was blushing many shades of red a majority of the time. I felt like a little bit of a voyeur to the couples in this very erotic book. So if you're looking for a book that steams up your reading device I suggest you give this one a try. The book was very hot, and worth the stars given!

"I was provided with a complimentary copy of this book so I could give an honest review." This book is exceptionally well written and I thoroughly enjoyed reading each and every story in it. It is compiled of short erotic stories to suit every taste by covering various erotic scenes, wives helping husbands, husbands watching and/or participating, menage, video cam, live sex shows and re-connection between husband and wife. Some of these stories are very explicitly detailed and I would recommend this book to people who like to read this kind of book.

Selena Kitt's opening story sets a very hot level of wonderful, sexy fun that is very high. Every other author in this collection at least equals that high level of hotness. Some have great character

definition, some are just pure, raunchy fun. But, all of them will hit your hot button and make you drool. I received an advance copy for an honest review, and this review gleefully honest.

I liked this box set even better than the 1st set ! Toe tingling stories from a lot of different authors, some of which I was already familiar with and some I am certainly going to get more familiar with in the future. A GREAT way to get to read new authors without spending a fortune on books you may not like...but I did like...A LOT !

A great collection of 13 romance stories. Hot and steamy and keep your attention from the beginning to the end. a great variety of adult stories that you will enjoy. Hot wives wanting to spice things up and they sure do. Selena Kitt has done it again with this bundle. I received an arc copy in return for an honest review

I loved this bundle. All of the stories are HOT and deal with different scenarios. There is something for everybody in here. Great group of authors with very different styles makes for a very entertaining afternoon of reading! I received a copy of this bundle for an honest review.

I received this set from Selena for an honest review!! Its fantastic! 13 stories with a bunch of steamy situations! I love these bundles because sometimes i don't want to spend days reading one story n don't always time. instead i like to switch it up with sum hot short stories. So if that's your thing I recommend this bundle! You nailed it like always woman! Definitely worth the money ppl
