Sins Of Empire (Gods Of Blood And Powder)

Synopsis

An epic new fantasy series from Brian McClellan, set in the world of his wildly popular Powder Mage trilogy. A world on the cusp of a new age... The young nation of Fatrasta is a turbulent place -- a frontier destination for criminals, fortune-hunters, brave settlers, and sorcerers seeking relics of the past. Only the iron will of the lady chancellor and her secret police holds the capital city of Landfall together against the unrest of an oppressed population and the machinations of powerful empires. Seditious is a dangerous word... The insurrection that threatens Landfall must be purged with guile and force, a task which falls on the shoulders of a spy named Michel Bravis, convicted war hero Mad Ben Styke, and Lady Vlora Flint, a mercenary general with a past as turbulent as Landfall's present. The past haunts us all... As loyalties are tested, revealed, and destroyed, a grim specter as old as time has been unearthed in this wild land, and the people of Landfall will soon discover that rebellion is the least of their worries.
