Customer Reviews

I've used the litany in this book for the past 6+ years. Alhamdo lilaah(swt), I take benefit from this all day long and feel a void if I miss reciting the prayers in it. May Allaah(swt) bless our beloved Prophet Muhammad(SAW), his followers, and the scholars who were a means in transmitting and compiling these invocations.

Great compilation of supplications based on invocations from the Holy Quran and the life of the beloved messenger of Allah, Muhammad, may peace and blessings of Allah be upon him. The reminders found herein serve greatly in grounding the believer in convictions and protect him/her from sin.

Hardback cover Long lasting durable
