Tentacle Queens Bundle: Women Seduced By Horny Monsters

Synopsis

They're long, hard, and always up for showing a girl in need a good time. What's not to like about sexy tentacle monsters? Magical Gender Transformation Supernatural Orgies Double Penetration and Triple Penetration by Tentacles Lactation and Forced Impregnation We Met on Phazr: Lily downloads a mysterious phone program with tons of hot grey-eyed men and quickly messages the one listed closest to her apartment. When her intended fuck-buddy, a tall chiseled sex god named Mars, arrives at her apartment she's already wet and ready. In the blink of an eye Lily discovers his extra additions and must determine whether or not she's willing to get it on with an alien. Will she go ahead with the extraterrestrial tryst of her own volition, or will Mars's six pheromone secreting tentacles make the decision for her? Swamp Beast Impregnation: A brave man is prepared to fight the zombies and lizard monsters that live in the swamp he must cross, but he has no clue that something much more sinister waits for him under the murky waters. When the man falls into the trap of a legendary tentacle monster he immediately thinks he has met his end. How will he react when the beast appears to be more interested in invading his orifices than taking his life? Will the aphrodisiac contained in the creature's slime help ease his terrifying transformation from muscled wanderer to swamp-beast's buxom bride? Tinsel and Tentacles: Abby finally lands an invitation to the hottest party of the holiday season. The notorious event, one rumored to revolve around the exchange of cookies with mysterious mind and body altering ingredients, has her and best friend Jeanette squirming with excitement. They expect to attend and take a drug trip like no other, but the reality of the mysterious ingredient in the sweet treats is far more spectacular. What will happen when one bite transforms their bodies into wild creatures ready for hot sex? Will the tentacle-packing hostesses and their interest in Abby lead her to one otherworldly orgasm after the next?
