# Marry Me At Christmas (Fool's Gold Book 21)

## Synopsis

Wish upon a Christmas star with New York Times bestselling author Susan Mallery's sparkling Fool's Gold romance! To bridal boutique owner Madeline Krug, organizing a Christmas wedding sounds like a joy until she finds out she'll be working closely with the gorgeous brother of the bride, movie star Jonny Blaze. How will a small-town girl like her keep from falling for the world's sexiest guy? Especially with mistletoe lurking around every corner! Jonny came to Fool's Gold looking for normal, not for love. Happily-ever-after only happens in the movies. Still, nothing about this quirky town is quite what he expected, and "ordinary" Madeline is the most extraordinary woman he's ever met. Refreshingly honest, disarmingly sweet. Achingly beautiful. Planning the perfect wedding leads to candlelit dinners and strolls through snow-covered streets. And Madeline finds Jonny in real life even more captivating than her celebrity crush. But will the action star be brave enough to risk his heart and step into the role of a lifetime?

## Customer Reviews

Book #19 Madeline runs the town's wedding boutique. She's making sure that every bride finds the perfect dress for the most important day in her life. She wants to make people happy - and she

wants to find this ever after happiness herself one day. But for now she has a HUGE celebrity crush: Jonny Blaze. The Hollywood star moved to town a while back - he wanted to get away from crazy Hollywood. What better place to escape to than a ranch outside of crazy Fool's Gold? But he loves it there. He can be himself - nobody cares that he's a huge star. But now he needs help - he promised his sister (the only family he has left) that he will throw her the perfect wedding at his ranch. Enter: Madeline. Because the town's party planner is fully booked over the holidays, our darling, meddling mayor, asks Madeline to organize the wedding. Poor Madeline with her crush - she starts stuttering when she only sees Jonny from afar. How will she ever plan a wedding with him? But it works - they like each other and are on their way to planning the perfect little wedding. But more than liking is not what Jonny wants for Madeline - he doesn't want her in those stupid Hollywood spotlights - and that would be exactly what would happen once they get closer.... But those sparks and the holidays and an orphaned dog and snow and the mayor... They might not stand a chance against all that. What will happen to Madeline & Jonny? Will there be a HEA? Nope - I'm not telling you! Ugh - I just LOVE Fool's Gold and it's people - I would be happy to have a new Fool's Gold book every month for the rest of my life!
