An Anthology Of Modern Italian Poetry: In English Translation, With Italian Text (Texts And Translations) (Italian And English Edition)

Synopsis

Italian poetry of the last century is far from homogeneous: genres and movements have often been at odds with one another, engaging the economic, political, and social tensions of post-Unification Italy. The thirty-eight poets included in this anthology, some of whose poems are translated here for the first time, represent this literary diversity and competition: there are symbolists (Gabriele D'Annunzio), free-verse satirists (Gian Pietro Lucini), hermetic poets (Salvatore Quasimodo), feminist poets (Sibilla Aleramo), twilight poets (Sergio Corazzini), fragmentists (Camillo Sbarbaro), new lyricists (Eugenio Montale), neo-avant-gardists (Alfredo Giuliani), and neorealists (Pier Paolo Pasolini)--among many others.

Customer Reviews

This is an excellent text for those who would like to develop a self regulated study program. Good for beginning language students. The side by side format makes the book really Ideal !
