The Nigeria Civil War: A Love Story

Synopsis

"You cannot imagine the depth of my feelings, Pete... but... I cannot see any future for us. We are almost cut off from the rest of the country. Everyone is bitter. There is no money to pay workers and jobs are few. Recently, all those who left their jobs..." She went on and on. In fact, in the weeks that they had not met, a lot had been happening. But while she was saying all this, -a deep frown was gathering again on Peter's face. He was a bit surprised at her logic but said, "My dear, what has all this got to do with marrying me? Will you marry me? Will you marry me Vivian?" he repeated his question. "Even if there is no job for anyone, I want to marry you. Will you accept me Vivian?" She kept quiet, but he continued. Things are bound to change for the better. All efforts are being made to bring about reconciliation. He paused and then said, "Vivi, you have a knack of leaving questions unanswered. Am I rushing you? Do you need time to make up your mind? I had made up my mind long time ago that it is going to be you or nobody. The Nigeria Civil war is fascinating story of the accounts of Peter and Vivian both of whom are deeply in love with each other amidst dangerous war assignments. Michael does a great job in bringing together for the first time ever a different perspective into the story of warfare in connection to the Nigeria Civil War.
