Henry V The Graphic Novel: Plain Text (British English)

Synopsis

The full and unabridged play in comic book form. It's the 15th century and the Archbishop of Canterbury, worried over impending legislation that would effectively rob the Church in England of its power and wealth, convinces Henry V to forego this pursuit in favour of laying claim to France. Armed with a legal technicality, Henry means to take the throne of France by whatever means necessary. The Dauphin's insulting response (sending an ambassador with a gift of tennis balls) convinces Henry that the French will only respond to war. He gathers his army to invade France, but he must also make certain that he leaves enough troops in England to quell any potential rebellions. This leaves him with a relatively small invasion force. Henry must deal with one plot before even crossing the Channel. Lords Cambridge, Scroop and Grey are discovered to be conspiring to assassinate Henry (instigated by the French). Henry makes a very public example of all three, arresting them in person and seeing to their execution. The army then lays siege to Harfleur, capturing it after heavy losses. Henry wants to take his army out of France before the onset of Winter, but the French are certain they can teach the young king a humiliating lesson on the field of battle. This stiffens Henry's resolve and he decides that, if the French want a decisive battle, they'll get it! While in camp, Henry disguises himself as a common soldier and mingles with his troops before the battle. He talks candidly with his men and they with him. The men may be a little wary of their king, but their willingness to fight the French army is undaunted. Next day at Agincourt, Henry makes the stirring St. Crispin's Day speech, knowing his army is outnumbered five to one. But, aided by the longbows of his archers, Henry wins the day. The French sue for peace, which Henry grants on his own terms. These terms are spelled out in the Treaty of Troyes - Henry will marry Princess Katharine of France and will be named as heir to the French throne. England and France will thus be united in peace.

Book Information

Paperback: 144 pages

Publisher: Classical Comics (November 5, 2007)

Language: English

ISBN-10: 1906332002

ISBN-13: 978-1906332006

Product Dimensions: 6.6 x 0.4 x 9.7 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)

Customer Reviews

In this version of Classical Comic's HENRY V, adapted by John McDonald, you're dealing with the Original Text. By that I mean that you get the entire play, just as William Shakespeare wrote it. Classical Comics has also published two other versions: Plain Text, which takes the original script and converts it into modern English, and Quick Text, which reduces the dialogue into as few words as possible (as many graphic novels do). Thanks to the wonderful artwork of many talented illustrators (Neill Cameron for pencils, Bambos for Inks, Jason Cardy & Kat Nicholson for Coloring, and Nigel Dobbyn for Lettering), the result is a colorful, heavy-duty, true-to-the-script version of one of Shakespeare's most recognized plays. This is the perfect book to introduce reluctant teen readers to Shakespeare. Whether they read it for fun or for a class, they're getting the original play, act by act, and they get it in a convenient, reader-friendly way. In this day of graphic novels, it's important to remember the classics, and HENRY V doesn't disappoint. The additional information at the end of the story, including a short biography of William Shakespeare and one of Henry V, a detailed description of the Battle of Agincourt, and even a guide to the creation of the graphic novel's pages, only add to the value. If you're looking for a well-made and instructional graphic novel based on HENRY V, look no further than this edition. Reviewed by: Jennifer Wardrip, aka "The Genius"
