The Highlander (Victorian Rebels)

Synopsis

In *The Highlander*, a stunning, gorgeous Victorian romance from Kerrigan Byrne, can the fiercest master of battle conquer a woman's heart? They call him the Demon Highlander. The fearsome Lieutenant Colonel Liam MacKenzie is known for his superhuman strength, towering presence, and fiery passion in the heat of battle. As Laird to the MacKenzie clan, the undefeated Marquess has vanquished his foes with all rage and wrath of his barbaric Highland ancestors. But when an English governess arrives to care for his children, the master of war finds himself up against his greatest opponent. . . in the game of love. Defying all expectations, Miss Philomena is no plain-faced spinster but a ravishing beauty with voluptuous curves and haughty full lips that rattle the Laird to his core. Unintimidated by her master's raw masculinity and savage ways, the headstrong lass manages to tame not only his wild children but the beast in his soul. With each passing day, Liam grows fonder of Miss Mena and more suspicious. What secret is she hiding behind those emerald eyes? What darkness brought her to his keep? And how can he conquer this magnificent woman's heart . . . without surrendering his own?

Customer Reviews

"What a tragedy they both were. Bruised and beaten by those who were supposed to have loved and protected them. Tossed upon a sea of cruelty, and seeking refuge in this unforgiving world. Seeking sanctuary, but hoping for redemption."FINAL DECISION: The story of two people haunted by violence, Liam and Mena are incredibly sweet in their romance even with all the dark secrets that seem to be against them.THE STORY: Laird Liam Mackenzie, Marquess Ravencroft is known as the Demon Highlander from his career in the army. Returning to his home in Scotland to care for his children, he is in need of a governess and writes to the wife of his half brother who happens to be the king of London's underworld, the Blackheart of Ben More. Farah sends Liam Miss Philomena Lockhart, to care for his children. Philomena has secrets. The most important is that she is being sent to Scotland to hide from her abusive Viscount husband who had her sent to an asylum for going against his family. Pretending to be an unmarried spinster governess, Mena never expected to be attracted to the dangerous laird.OPINION: Can two people haunted by violence find a sweet love together? What I loved about this book is its relentless determination in showing that everyone deserves love and can find it."A good man with a frightening past. A violent man with a wish for peace."Liam is a man haunted by the violence that has dominated his life since he was a child. Growing up the heir of an evil and sadistic man, Liam has had violence ingrained in him. Years of being useful to the British Army because of his brutality has only confirmed his belief that he is unworthy of peace and happiness or even forgiveness.
