Cities And Urban Life (7th Edition)

Synopsis

For courses in Urban Sociology A comprehensive overview of classic and contemporary urban sociology. Cities and Urban Life provides an introduction to the study of urban environments around the world. Using an approach that is multidisciplinary but fundamentally sociological, authors John Macionis and Vincent Parrillo help students see how cities have evolved over time, how cities reflect culture, and where the urban story may take us next. The inclusion of the latest data and research references throughout the seventh edition, as well as updated case studies on a variety of cities, ensures that students come away with an up-to-date understanding of contemporary urban life.
