Raising Big Smiling Squash Kids: The Complete Roadmap For Junior Squash

Synopsis

Squash offers your kid unparalleled benefits - opportunities to travel the world, top colleges, a sport that can be enjoyed no matter what the weather, and a game where you don't always need a partner for practice. Plus: friendship, character building, and a lifetime of health and optimum fitness. Whether you know squash or not; whether your kid is 2 or 18 and just starting out, or has a few years of squash experience, this book offers a complete roadmap to all the game has to offer. You'll find practical advice ranging from the best age to get your kid started in squash, to pursuing a career in professional squash, to finding ways squash players can give back to their communities. Gain insight into squash organizations. Have fun along the way at the best squash camps and vacations.

Customer Reviews

If your kid is getting serious about squash and you want to learn about the sport, this well-written book is a must read. It covers every topic you may want to know. Even parents who have been taking their kids to lots of squash tournaments will learn some things from this book. I've read all the blurbs for this book, and I agree with every single one. There is no other book like this on the market.
