Rose (Lucian & Lia Book 4)

Synopsis

My name is Rose Madden and I have spent my life being the perfect daughter. Thanks to my daddy, I'm an expert marksman who dresses like some modern day freaking June Cleaver. My life has been perfectly scripted since the day I was born. I've never deviated from the plan until I met attorney Max Decker. Now he has me doing insane things to get his attention, like grabbing him in his car and being arrested for stalking my ex-boyfriend just so he'll come bail me out of jail. He thinks I'm crazy but he wants me anyway. Will he still feel the same when fate steps in, revealing my secret shame to him?

Customer Reviews

Let me start this review by saying one thing: read Sydney's Lucian and Lia series first. "It seems I'm destined to be a burden to those I care about. How much longer can I continue to do that to them and to myself? The answer to that question haunts me as the car moves through a darkness that rivals the bleakness of my soul." Rose Madden lives a giant lie. Everyone thinks that she has everything together and that she is strong and doesn't take any crap from anyone. That really isn't the case. What her friends, Lia and Lucian, don't know is that her life with her parents has been so devoid of love and nurturing that she has tried multiple times to kill herself. She has found

one coping mechanism: cutting. "I take a fortifying breath before walking slowly toward the entrance doors. I can't be another person in Rose's life who lets her down. Regardless of my own fears, she needs me. Tomorrow is soon enough to fall apart - today, I'll be strong for the woman who desperately needs someone to believe in her." Max Decker has seen a little bit of the "loose cannon" that is Rose. As Lucian's lawyer, Max has bailed Rose out of jail when she had gone a bit postal on her ex-boyfriend when he cheated. Rose has always been excessively flirtatious with Max and both of them are completely smoldering for the other. When Rose's father cuts her off completely for wanting to have a job instead of moving home, she has to call Max to help her. Her first night at his house he discovers her cutting. Max has a devastating event in his past that makes him not want to get involved in a relationship with Rose, but his love for her keeps him fighting for her.
