# Ink Exposed (Montgomery Ink Book 6)

## Synopsis

The Montgomery Ink series continues with the brother that deserves a second chance, and the woman who has always loved him. Alex Montgomery lost his first love and then proceeded to leave himself in the bottle. Only he and his ex-wife truly know why he fell so hard and so fast down a path he never thought he'd take. Now he's clean, out of rehab, and learning how to be a Montgomery once again—a task that isn't quite as easy as some of his family assumes. Tabby Collins is an honorary Montgomery and the organizational mastermind behind Montgomery Inc., the family's construction company. She loves her planners, friends, and a certain dark-haired man who's never given her a second glance. Alex is slowly re-immersing himself back into the world, but the demons he faced before aren't out of the picture, and he'll have to learn to rely on others to make it out whole. When Alex discovers that Tabby's life is in danger, he not only finds a way to help her but also learns the true woman behind the soft smiles he's always seen. Their romance won't be an easy one, but nothing this passionate and heart-pounding ever is.
