Customer Reviews

It's not the correct picture for the edition which resulted in me buying the wrong one. Which resulted in me buying the wrong one and having to spend more money on the new one. I should have looked at the description better but I'm really disappointed.

Got the access card in the mail 2 days later, registered it online, and everything worked exactly as it was supposed to!

Needed this for an intro bio course in college and I learned a lot from it

quickest way to get the book in one second , thanks .
