## Customer Reviews

I've been a Pre-Paid Legal member for 16 years. As a single parent raising 3 children, this membership has been a LIFE SAVER. PPLSI has saved me countless thousands, especially on car warranties that insurance companies did NOT want to honor. They have helped me with insurance claims too. The adjuster is NOT your friend. It is their job to reduce or deny your claim! Pre-Paid Legal is one of the main PIONEERS in the Industry, and the industry now also bears the company's name in part. Like any product or service, when the VALUE is becoming WELL known, then imitations start popping up, some good, some bad, and some terrible. Those that market the

imitations will try to bad-mouth the company they are trying to copy. This makes no sense at all. A good copy of a priceless painting may be very valuable, however the ORIGINAL is priceless. I remember what Zig Ziglar says when a person says a product or service is "JUST LIKE" another product. (Paraphrasing) He says I understand what you mean. My wife and I are "JUST ALIKE" We both have two ears, two eyes, two arms, two legs, one mouth. We love to eat and dance. However, there are a FEW "UNIQUE DIFFERENCES" and that is WHY I married my wife. There are also a FEW "UNIQUE DIFFERENCES" between the products that I'd like to explain. There are some "UNIQUE DIFFERENCES" in Pre-Paid Legal (PPL) Services, and that is what the book points out.
