7-BOOK BUNDLE - Women Shared: MFMM MÃ©nage Pack

Synopsis

Overpowered and overwhelmed - one man is good, 10 is ecstasy. Each standalone story in this sizzling-hot bundle chronicles the tale of a woman aching to be taken, rough and unprotected, by multiple men - at once. From reckless ravishings to romantic ménage, these tales are about women who dare to unleash their wildest fantasies - and the many hot, rugged men who love to make those fantasies come true, inch by inch and all night long... This anthology includes the story of a hotwife taken by her husband's bosses; a first-time DP at a military barracks; a woman displayed and used by a roomful of white-coated doctors; and so much more from bestselling authors Nina Sparks and G.R. White. And, as a bonus in addition to these seven salacious standalones, this bundle also includes the first three chapters of Doctor's Pet, G.R. White's full-length medical-fetish exhibitionism novel. The complete list of titles is too steamy for the general public; click "Look Inside" for the detailed table of contents. Every individual story in this collection retails for \$2.99, making this bargain too good to miss.
