Grade Level: 4 - 7

Customer Reviews

Great art. It's photos of scenes that were cut out of colored paper. Lots of fun sounds to make. Nam Nam crac crac (caterpillar eating sounds) is repeated through out the book. The butterfly exclaimed "tachan" (like ta-da) and that was one of the first words baby got on his own. The book goes from caterpillar to chrysalis to butterfly to meeting friend and then laying eggs for the baby caterpillars to come out of. Cute and educational.
