Unsouled (Cradle Book 1)

Synopsis

Sacred artists follow a thousand Paths to power, using their souls to control the forces of the natural world. Lindon is Unsouled, forbidden to learn the sacred arts of his clan. When faced with a looming fate he cannot ignore, he must defy his family's rules...and forge his own Path.

Customer Reviews

This is my first review, but after reading all of Will's other stuff I felt compelled to finally take the time to make sure that anyone who reads this starts supporting this amazing indie author. I have been reading fantasy since I was eight and started with authors that I believed (while I was young) were at the top of the field. Having revisited some my childhood favorites in recent years I have found some authors unreadable (looking at you Goodkind and Eddings ?'Eddingses'?) and others poorly written or just plain boring. In recent years I have been excited and lucky to watch and take part in fantastic new entries into the genre (Mark Lawrence, Patrick Rothfuss, Martin, Anthony Ryan's first book). In between the "big authors" releases I have downloaded, read and discarded probably forty or so indie entries. Some have been good. Some have been bad. Most have been terrible. What I

can't figure out is how some of these books obtain 100+ reviews averaging 4 stars or better, or how they can contain multi-paragraph hand written write-ups praising the "original story" or "unique characters" or "intriguing plot line". I am at a loss because most of these books end up turning me off after about 50 pages because they are some combination of a) illegible writing, and b) a protagonist that is unrealistic/whiny/overpowered/smartwhilestupid. This book is none of those things. This author's other works do not fall into those categories. Will's stuff is well written, entertaining and contains characters that are funny, relate-able and have depth. I am a fan of pretty much every character in his Traveler's gate and Elder Empire Series.
