Customer Reviews

TR Ragan delivers a well-written, clever and intriguing mystery in this fourth Lizzy Gardner series. The main story in Obsessed revolves around Madeline Blair, radio psychologist, who tells her listeners that she is being stalked. Seth, a devoted fan, has taken it upon himself to be Madeline's protector. Seth is under the belief that he has handled Madeline's stalker problem and is confused when Madeline reports that she is still being left unwelcome presents. Matters become worse as

Seth hears the stalker harassing Madeline on the radio. As Seth discovers the identity of the "stalker" and learns of Madeline's duplicity in deceiving her listeners, this is enough to push his unstable mind even further toward the dark side. A hoax to improve ratings now turns into Madeline's worst nightmare as she is tormented and stalked by an unbalanced individual intent on teaching Madeline a deadly lesson. Hayley is also an important factor in this story. She has lost weight and become more despondent as she continues with her obsession to find Brian, the low-life drug dealer, who not only raped her as a teenager, but also killed her mother in an act of revenge. Hayley is such a flawed character. She's prickly, unconventional and bends the rules. She puts herself in dangerous situations with no real regard to her own life. There is such a dark side to Hayley, yet the author does a great job showing the reader the empathetic and compassionate sides of Hayley as well. Kitally, Hayley's friend, turns out to be a quirky, likeable and endearing character. She has been secretly working with Hayley on her cases and Lizzy begrudgingly hires her with Hayley's recommendation. Kitally is loyal and supportive to Hayley.
