Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (38 customer reviews)

Best Sellers Rank: #106,604 in Books (See Top 100 in Books) #42 in [Books > Religion & Spirituality > Islam > Quran](#)

Customer Reviews

THIS BOOK HAS THE FIRST EIGHTY PAGES EXPLAINING THE HISTORY OF THE QUARAN AND PROOF THAT THIS BOOK HAS NEVER BEEN ALTERED AND PROVING THE ENGLISH TRANSLATORS ARE THE BEST OF THE BEST FOR THE JOB. I CAN'T WAIT TO LEARN MORE ABOUT THE MUSLIM RELIGION AND THIS BOOK HAS GOT TO BE MY BEST OPTION!!!

Coming from a new age Christian and Hindu, and as a person belonging to a Universal Church, I can say that this is a very nice rendition of the Holy Quran. The book has beautiful guided edges, and is as beautiful as any Holy Bible I have ever seen.

This is a great looking book and the explanations are interesting, but the actual translation is a bad one. Every sentence has a parenthetical addition that breaks up the text and ruins any momentum you build. I would look into buying another translation. Also, the edition I got from had a scuff and cut in the spine.

This is, in my opinion, a superb translation of the holy Qur'an. I would recommend it for personal reading as well as for dawah.

It really was what I expected... Totally satisfied with the book. It's in great condition and text is large too.

So easy to understand, very nice. The Only bad thing about it is that I had to buy it, it's haram buying Allah's Scripture. I really wanted a Quran and came across this one that I really loved and really wanted. I pray for Allah to forgive me if I had committed a sin and to forgive all. It should've been free and just charge for shipping and handling the \$12-15.

Clearly an admirable academic work to be appreciated by Arabic and English speakers alike.

I have a few translations of the Qur'an. As I'm no Islamic/Quranic scholar, I cannot comment on the quality of the translation. However, I can say that I've found it quite readable. I found it much more readable than some other translations that I have. Also, the extensive introduction in the beginning is quite useful for non-Muslims encountering the Qur'an and Islam for the first time.
