Customer Reviews

Este libro es perfecto para enseñar los niños sobre su valor individual- es un instrumento buenísimo por los padres! Yo lo he leído con los niños y adultos también y es un cuento que toca a todo corazón! EXCELLENTE!

My daughter volunteered in an orphanage in Tijuana this past year. She asked me to find the Spanish version of this book so that she could share it with her children there. We read it to her when she was young, and it made a big impression on her young heart. Now she is passing that on not only to another generation, but another culture!

After having read the English version, I immediately sought information regarding a Spanish one so that I could give them to my grandchildren as Christmas gifts. It is a beautiful story with a wonderful message. Mr. Lucado has done it again!

In a world where we are all judged over things we can't control, (physical characteristics, intelligence, accidents) this is a great book for all ages to realize our value in the eyes of God. He made us, He loves us, so why should we let the opinions of others shape our self-image. I love "You are Special" in the English version, so I bought the Spanish version to share with children in Ecuador. The message is needed there, too.

I never heard about this story or its author until it was interestingly mentioned in another book that I'm reading. What a simple, but at the same time profound and powerful story. All parents should read this book to their kids or let them enjoy it by themselves, love it!

Working as a children's therapist, I look for items to use in bibliotherapy, so I ordered this to address self-esteem issues that some of my clients experience. I've already put it to use.

It is simple incredible, very soft and delicate, it is a blessing not only for children including for adults too, how Can I obtaine the book "Porque te amo" in spanish edition.
