Synopsis

Chloe's quest to escape the Oracle's prophecy leads her to a magus with a secret: the eldren are not the only race to use magic in warfare. An ancient power is rediscovered, and a forgotten people will return. Meanwhile, cursed by his birth, Dion tries to forge a new life at sea, away from both the eldren and his former life in Xanthos, but the one thing he can't leave behind is his heritage. Two kings on opposite sides of the ocean prepare for war. The clash of civilizations has only just begun |
