It's St. Patrick's Day (Scholastic Reader, Level 1)

Synopsis

This Level 1 rhyming reader introduces young children to the St. Patrick's Day holiday, from dressing in green outfits to marching in a musical parade! It's St. Patrick's Day follows two children as they celebrate this joyous Irish holiday. Beautiful illustrations compliment easy-to-read rhyming text. From dressing in green outfits to dancing an Irish reel, from finding a four-leaf clover singing Irish songs and marching in a parade, everyone can be Irish on this special day!

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

This is a wonderful book to read for your St. Patrick's Day Celebration. Appealing illustrations and just the right amount of text for those 3-4 years olds with a shorter attention span. Great introduction to the holiday. Can be tied to your classroom activities (turn your juice green, ask an Irish Step dancer to visit, etc.) Highly recommended!

Encompassing many of the traditional elements of what we think of for a St. Patrick's Day celebration, this is a simple little rhyming book. As a Scholastic Reader Level 1 book it is good for an early reader--though not all the words are easy level--there are only a couple of short lines per page. The illustrations are appealing and fun. Could be a springboard for a discussion of many of

the holiday's traditions, as it introduces them without elaborating. Nothing deep here, but it is a lighthearted little tribute to "the wearin' of the green."

The book is good, but I feel the reading level range posted is inaccurate. It was listed preschool through grade 3. As a former teacher, a mother, and a grandmother, I feel it is too young for grades 2 and 3.

This is a cute book for pre-k or kindergarten, maybe even 1st grade. It gives children a basic idea of how children celebrate St. Patrick's day by wearing green, maybe even have something green to drink with your Irish stew. You might see dancers doing an Irish Reel dance, sing a song or will you be lucky enough to find a 4 leaf clover, hear bagpipes & drums, or see a leprechaun? "No matter where you were born, today you can be Irish." This book is illustrated quite nicely and on the everyone can be Irish page there are children that are from Asian countries, Africa and maybe even Lapland I'm guessing from the costume. This book does not talk about St. Patrick.

My children loved this story! It's the perfect book to add to your St. Patrick's Day library. The story keeps you drawn in and reading for more! The illustrations are very colorful and intriguing.

Perfect for Irish-Americans. Those who don't share the heritage might not understand what the book is talking about. It is a really cute book, beautifully illustrated.
