# The Unofficial Harry Potter Insults Handbook: 101 Comebacks For The Slytherin In Your Life

## Synopsis

Got a belligerent bully on your back? Next time your paths cross, say "Every time I see a Dementor, I'm forced to relive our every encounter." Has that frenemy reared her ugly head? Tell her she's the fourth Unforgiveable Curse. Is a know-it-all giving you trouble? Arm yourself with "I can tell you didn't get an O.W.L. in Transfiguration. Otherwise you would've done something about your face." Whether you're a N.E.W.T.-level wizard or a wide-eyed witch still awaiting your Hogwarts acceptance letter, you've probably encountered a merciless Malfoy or despicable Dursley who makes your magical blood boil. If you've ever stood speechless as someone called you a talentless squib, a worthless git or a filthy mudblood, this is the book for you! NOTE: This is a picture book intended for any Harry Potter fan but geared toward younger audiences. This book is NOT a Harry Potter Cookbook companion piece, nor is it affiliated in any way with any other Harry Potter book.

## Customer Reviews

I actually used a few of these. My bullies were stumped by what they meant and left me alone! Awesome, is all I have to say.

I got this for my friend's birthday and all of my friends at the party & I ended up dying of laughter when we read the insults out loud. This was a perfect gift for my Slytherin friend.

It was hilarious and exactly what I thought it would be, such a wonderful buy. It provided many moments of amusement.

This book is hilarious for any HP fan. It's short and goes by fast, but there are a lot of jokes on each page. Very fun!

Purchased as a Christmas gift for my 16 year old cousin. She is a Harry Potter fanatic and seemed to enjoy it. She kept using the insults on me, but having never read the books or seen the movies I wasn't terribly offended based on the fact that I had not a freaking clue what she was talking about. Although she did seem to get a pretty good burn in based on the laughter from some of my family members who are apparently more in the Harry Potter know than I am. Why did I have to be a Lord of the Rings fan? I just wanted to understand the jokes and be included. Why did you have to ruin Christmas Harry Potter Insult book? I was so upset that I couldn't even eat my second breakfast.

This book is a good and funny book for my 10 year old. He showed it to his friends and they were laughing hysterically. I recommend it to anyone who wants a good laugh. I think it a good set of comebacks to any Harry Potter fans. It is good for "the Slytherin in your life." Only people that had read the book series will understand the jokes.

I really enjoyed the entertaining insults and nicely done drawings in this book. Definitely a great choice for any fans of the Harry Potter series.

I had so much fun reading this! Every Harry Potter fan can relate to the wit of the wizarding world.
