Five Things God Uses To Grow Your Faith Participant's Guide

Synopsis

Five Things God Uses to Grow Your Faith, by Andy Stanley is an exciting small group bible study that establishes the biblical case for five things God uses to grow an unshakable faith in you. Imagine how different your outlook on life would be if you had absolute confidence that God was with you. Imagine how differently you would respond to difficulties, temptations, and even good things if you knew with certainty that God was in all of it and was planning to leverage it for good. In other words, imagine what it would be like to have PERFECT faith. In this new small group bible study, Andy Stanley builds a biblical case for five things God uses to grow BIG faith. This Participant Guide is filled with helpful discussion starters, video overviews, a helpful Leader's Guide and much more. It's designed to be used with the companion Five Things God Uses to Grow Your Faith DVD (sold separately). When used together they provide a powerful catalyst for spiritual growth. Sessions include: 1. Big Faith 2. Practical Teaching 3. Providential Relationships 4. Private Disciplines 5. Personal Ministry 6. Pivotal Circumstances

Andy Stanley is great preacher and teacher and this book is guide to growing in Faith. I am using it with my Bible Study group and I couldn't be happier. Andy presents thoughtful questions and clear insights into his lessons. This is an excellent booklet. It arrived quickly in good condition and was sold at a great price.

This is an excellent study on how understanding, practicing, and responding to pivotal experiences

in life can increase our faith. The material is thought provoking and unafraid to look at tough issues in life.

if your group has the dvd program you really only need 1 of these per group for the discussion questions. everything in the book is discussed in the videos.

I am in a Bible study group and we are using this book. We are not finished with the whole study but so far it is really good. We watch a video that goes along with it and then discuss the lessons afterwards.

Bought this for a study with my small group. The book is easy to read and understand. Each week we watch the dvd and go over the discussion points. Our group is applying the lessons learned

Our home group is using the DVD and this study guide to help us increase our trust in God. We have found value in the discussion questions and consider it a vital compliment to the DVD.

This is a very pertinent study on how to grow Big Faith. I have been a Group Leader for over 6 years and continue to find many valuable studies from Andy Stanley. Give it a try.

This book is good! I enjoyed reading/studying with my "small group". It makes one "take stock" of their own faith or lack of same.
