## Customer Reviews

I have the English version of this book. The spanish translation is pretty accurate. The pictures are colorful and illustrating. What I really like about this book is that the bible stories are told in a biblical style more than in an "Once upon a time" fairytale kind! It also tells you in what books of the Bible you can find the stories and if its Old or New Testament.

Esta Biblia para niños ofrece muchas historias ilustradas con graficos muy logrados. El lenguaje utilizado puede resultar un poco elevado para según quées edades. Esta Biblia ofrece explicaciones para que los padres que leen esta Biblia a sus hijos puedan entender mejor algunos términos y explicarlos a sus hijos. Es una excelente Biblia. Recomendable para padres

cristianos que buscan una Biblia para leer a sus hijos.

We have a classroom set of these Bibles for a children's program in Honduras. The children, the teachers and the parents love them. This is a great gift idea for the Spanish-speaking child or family in your life. The book is very durable and will last. I know as we use them in a classroom setting. The back of the book has a special guide for parents to have guided discussions. It's a great gift, without doctrinal issues. It's just the stories of the Bibles with lots of great illustrations.

I bought this because my neighbor's daughter is going through confirmation, and I thought she might enjoy learning Bible stories in Spanish as well as English. But then it occurred to me that reading it might help me to learn Spanish, so I've been reading a bit each day along with my Duolingo lessons. The book is well-made, and the reviews said the Spanish translation was trustworthy (some other Spanish children's Bibles got bad reviews for that). It's a fun way to change up my morning devotionals a bit!

This is a great big inning Bible for children. The text is simple and the pictures are great. My class uses this book as a way to learn Spanish. The Latino families are learning to become more of a multicultural community.

Gave as the most precious gift ever given to a 35 year old child of the most High God. She is enjoying the child's bible because she is seeing herself as a child with the beautiful colorful pictures. The price was cheap for the amount of joy it's giving her. Thank you for making it available in Spanish. Hope to see more books available in Spanish on this great shopping website.

THIS IS A GREAT BIBLE IN SPANISH!, IT'T VERY CLEAR AND EASY TO UNDERSTAND, DRAWINGS ARE VERY GOOD, AND THE LANGUAGE VERY EASY TO COMPREHEND, MY KID AND US LOVE IT!, HIGHLY RECOMMEND IT!

This is a great children's bible that is very easy to read and understand. Illustrations are nice. Quality made by American Bible Society and Scholastic.
