Prayer: The Beginner's Guide To Prayer: How To Connect And Communicate With God

Synopsis

The Beginner's Guide to Prayer How blessed we are that God is so loving and kind and wants to have a relationship with us! Prayer is one of the best ways we can grow and find peace in Christ and experience the love of God for ourselves. I'm amazed how many times I have entered into prayer feeling anxious or upset, and after spending time with God, I close my prayer time feeling relaxed. God is peace; when we approach him in prayer, it's like having peace give you a nice bear hug! It's amazing we don't make more time for prayer. This book will show you what prayer is really all about. How to really connect with God so you also can feel the love! Customer Reviews

I spend a lot of time in prayer every day and know that I could pray more. This book taught me a lot about prayer and I am always open to learn more. It is packed full of deep, interesting, and spiritual things that will help me on my spiritual journey.

I gave it a 4 star because it makes Jesus and God seem like 2 different beings. Jesus is the carnal

image of God. John 1:1 simply tells us that Jesus is God. But as for the rest of the book it's a very good read.

This is a very short book packed with assurances regarding prayer. You will want to reread and mark numerous parts as it is a book that will encourage you to have a deeper prayer life which is well needed for this time. No regrets

I think this book was very instructional, encouraging and helpful to a new believer or anyone that might be struggling in prayer. Even if you are not a beginner believer this book will put you back on track.
