# Captivity

## Synopsis

Sexy Captive to the charisma of a powerful, sensual master and slave to his own unquenchable desire. A winged man known simply as the wild thing, free to roam the jungles outside Bendar City. Until he was betrayed, captured, and sold to a powerful lord who valued the stunning birdman's unique beauty. Lord Adolpho Serratin of the Kalamadur Oasis maintains a collection of unusual possessions many one-of-a-kind. And Orion Birdwalker soon becomes the most beloved of Serratin's possessions, in more ways than one. The wild thing is named, tamed, and trained to serve his new master in all ways, including those duties involving intimate service. Captivity is not what Orion thought it would be. His new master is a charismatic, sensual man who is firm yet kind, demanding yet passionate, who teaches Orion to serve, challenges his intellect, and masters the wild thing from the jungles in mind, body, and spirit. But in a part of Orion's soul lingers the desire to once again taste freedom and to fly free. When Lord Serratin is called to mediate an agreement and returns to Bendar City for the negotiations, he is unwilling to leave his new intimate slave behind. But everything is different in Bendar City. Serratin seems cold and distant. Intrigue abounds and soon Orion is presented with an unexpected chance for freedom. It's the hardest decision Orion will ever make, because he knows he can't have both his freedom and Lord Serratin the master he has come to love so passionately. Which will he choose? #fantasy #gay #MM #eroticromance #BDSM #erotic #D/S This story was originally released in September 2008 by Amber Quill Press/Amber Allure. This story contains explicit sexual situations and strong language.
