Early Retirement On A Shoestring

Synopsis

If you would like to work less and live more, or if you are only looking to consider your options in this regard, then this might just be the book you've been looking for! I spent years trying to figure out how to do exactly that in my own life and was able, eventually, to achieve the exact balance of work and life that I had once only dreamed of... The information I share with you will absolutely open your eyes to what is possible and the plan you will read about will be the quickest and surest path to a dream life of your own. Get ready because you will learn exactly how you can escape the rat race by this time next year -- or sooner!
