Living Democracy, 2012 Election Edition (4th Edition)

Synopsis

Participate in your American government — Living Democracy, 2012 Election Edition uniquely asks students to participate in their learning and their government. Activities and features promote application of concepts outside of the classroom. This text shows students how government impacts their daily lives and how they can make a difference in that government. Living Democracy fulfills a need felt in every American government classroom — “to engage students, to develop their understanding of government, and to make them active political participants. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions. A better teaching and learning experience This program provides a better teaching and learning experience — “for you and your students. Here’s how: Personalize Learning — “The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard! Engage Students — “The stunning visual design engages students in the text. — Improve Critical Thinking — “ Learning objectives in every chapter help students focus on important topics. Analyze Current Events — “Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system. Support Instructors — “ A full supplements package including the Class Preparation Tool in the New MyPoliSciLab is available. Customer Reviews

Good quality and fast shipping which is what I needed. A few bent corners but probably from shipping. I needed it for school and as long as it doesn't have all the pages highlighted I'm happy. I would recommend getting this one.

The shipping took a little longer than I expected and I am disappointed that the code was not included so I can access the online videos that should go with this book. I really needed to be able to see the videos and nothing was said that this was not included. Book was in excellent shape and delivered as promised.

I didn't received the book that I ordered, I received a different version of the book that I can't use for my class. I'm very disappointed because my class started 2 weeks ago and now I have to go buy the right book.

I boutht a NEW copy of this book for my nephew and it came without the access code! I would not have bought a new unused book if I thought it lacked the access code. BEWARE and don't waste your money on a new book.

I Recently left a bad review for Luky's Textbboks but it was all a huge misunderstanding! They have been wonderful to do business with! I would recommend them 110%!

This book exceeds my limitations with learning political aspects of the world especially gay rights and civil liberties. I highly recommend this book to others.

Great book. Works great for my class. Very detailed. Will help with the homework and many reports that are due in this class

Love this way of getting book, convenient, no bulky books, will do this again next semester. Thanks that's all I have
