# Dark Warrior Mine (The Children Of The Gods Paranormal Romance Series Book 7)

## Synopsis

When Andrew is forced to retire from active duty, he believes that all he has to look forward to is a boring desk job. His glory days in special ops are over. But as it turns out, his thrill ride has just begun. Andrew discovers not only that immortals exist and have been manipulating global affairs since antiquity, but that he and his sister are rare possessors of the immortal genes. Problem is, Andrew might be too old to attempt the activation process. His sister, who is fourteen years his junior, barely makes it through the transition, so the odds of him coming out of it alive, let alone immortal, are slim. But fate may force his hand. Helping a friend find his long-lost daughter, Andrew finds a woman who's worth taking the risk for. Nathalie might be a Dormant, but the only way to find out for sure requires fangs and venom.

## Customer Reviews

>Book Review â “ Dark Warrior Mine>I am an independent reviewer. This book is the 7th in the Children of the Gods series and ends a little up in the air. Andrew is a dormant, who is still human. He is not sure he wants to turn immortal because he may not survive the process. His immortal

friend, Bhathian, asks Andrew to help find a lost love. Andrew tracks down Bhathian's dormant/human daughter, Nathalie. Andrew and Nathalie have an instant attraction. >Finally, this series is back in the 5 star rating again. Bhathian is a unique immortal, with a love for his daughter. I do wonder why he suggested abortion to Nathalie's mother way back when. Procreating seems to be a goal of every immortal, even with humans. There is a lot of humor in this book. Bhathian attempting to be cheerful and the descriptions of that is hysterical. The new character, Jackson, is a young immortal with a quick wit and a huge personality. Andrew is fighting his alpha tendencies and listening in to his thoughts on how to woo someone is so cute. Nathalie is a survivor. She hears voices in her head and feels like a freak as a result. >I love the relationship between Nathalie and Andrew. All of the scenes in the coffee shop are like a breath of fresh air. The enemies of the immortals are still setting up their lair, so no battles or threats occur in this story. There is a bit of suspense with the disappearance of Nathalie's mother. Hopefully Eva will be found in a future story. I'd like to see Bhathian get his HEA. >This book is appropriate for an adult audience. I am giving this book 5 stars.

I read these books so fast as they keep you on the edge of your seat wanting more. I enjoyed the romance between Kian & Syssi then you have Amanda and Dahli now we have Andrew and Nathalie oh my gosh it gets better and better. This book has romance and laughter as well as some suspense. Cannot wait until The next one

I read A LOT of paranormal romance and The Children of the Gods has fast become my favorite series. I love how the author continues to grow and weave in the stories of the original characters like Syssi, Kian, Amanda and Andrew while developing the supporting characters. The stories keep you on edge, wanting to know more. The romance is hot and steamy and the mystery is just mysterious enough to keep you guessing. Will Syssi and Kian have children and start a new line, will her vision for Andrew come true, will Amanda find more dormants, is Nathalie one of them, will Bhathian find Eva and live immortally ever after, will Anandur find out what Alex is up to and find love on the way, and why is Brundar so grumpy? I can't wait to read book 8 and 9 to find out what happens with Andrew and Nathalie and eagerly hope she is working on Bhathian's story in books 10-12.

All I can say is WOW. oh and ask when the next book in the series will be available. This has become a truly addicting read. The characters are well developed. The story really keeps your

attention. The cliff hanger at the end was a slight disappointment because all of the other books in the series are pretty much complete in the story line. With this book IT Lucas left a huge cliff hanger, in my opinion, and I really hope that she continues it in the next book. There were too many questions about the story at the end of the book. That same cliff hanger though will be what keeps me looking for the next book in the series.

I've read all the books that comprise this series & I've really enjoyed them so much so, that I'm frustrated that the next installment isn't out yet. A release date hasn't even been announced! Aahhh! I adore Andrew & look forward to the conclusion of his & Nathalie's story. What I think needs to be addressed are the spelling & grammar errors. Changing the spelling of names or using one character's name when another's should have been used was confusing. At times I had to retrace my steps to differentiate between which character was speaking & when, so more attention needs to be given when creating dialogue. Editing needs to be done by a keen eye looking for the proper use of there, their, they're & your, you're, etc. Another set of eyes would definitely help eliminate these types of errors & any others. When reading about the Doomers, I can't help but refer back to JR Ward's Lessening Society. I'm not sure how significant this group really is because so little attention is paid to its development. If the Doomers are going to create a conflict then there needs to be more build up. The same can be said about Alex. Each of these antagonists can really be developed into a great nemeses but those are just my thoughts. I know I sound super critical but there's so much additional potential that could be explored & included for content. Isabelle has great skills & I can really see her on her way to be on the level of JR Ward, Kresley Cole, Gena Showalter, etc with more experience.

I really enjoyed your story. It was very different with the way it began. I couldn't put it down. Can't hardly wait for next book. I got to find out where Andrew and Natalie goes from here. Thank you
