Wealth By Stealth: Corporate Crime, Corporate Law, And The Perversion Of Democracy

Synopsis

How is it that corporations are able to behave irresponsibly, criminally, and undemocratically? *Wealth by Stealth* is a scathing introduction to the operations of the modern corporation, written by a corporate lawyer. Many writers point to the growth of undemocratic corporate power. Glasbeek takes these observations further and outlines clearly how corporations become so powerful. He also shows how they are able to act without regard to the behaviour and laws governing citizens and other groups. Glasbeek is known by generations of students for his brilliant, funny lectures at Osgoode Hall Law School. With *Wealth by Stealth* his informative critique of corporate behaviour becomes available and accessible to all. How is it "The corporation makes them do it"?

Book Information

Paperback: 384 pages

Publisher: Between the Lines (2002)

Language: English

ISBN-10: 1896357415

ISBN-13: 978-1896357416

Product Dimensions: 5.9 x 0.9 x 8.7 inches

Shipping Weight: 1 pounds

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Customer Reviews

What a tour de force! Revealing and detailed, this resource is heavy duty stuff for anyone who wants to fully understand the history, background and foundation for those general feelings some of us have that there is a problem with the entity we call the corporation, and the legal basis for capitalist -- and democratic free market -- society. A vast wealth of information is offered as notes to the main text...a decent read quite apart from the book itself.

This is a fantastic book. Glasbeek has made a superb contribution to our understanding of the dangerous and pathological nature of corporations, and the threat they pose to democracy. And he manages to do this with wit, humour and panache. Read this book!
