Customer Reviews

I am a lacrosse coach and official. When someone walked off with my dog-eared hard copy, I went to US Lacrosse web store to purchase another. The cost of \$7.95 was expected, but the \$11 shipping fee was outrageous. On a lark, I checked , and found I could purchase an e-copy for less than \$5. Not only that, I can highlight key passages and make my own marginal notes. I find it much easier to use to prepare for our annual tests for officials or use as reference as needed. Word searching is also a great attribute. I used it last night at our official's meeting to quickly resolve a dispute about a rule interpretation.kclaxdad

Almost everything you need to understand the rules and apply them on the field. It includes cases for each rule.
