# Everyone Is Welcome

## Synopsis

Formerly a URJ Press title. *Everyone Is Welcome* starts with an overview of special needs education and the history of the inclusion movement, written for experienced educators and engaged volunteers alike. Then Steven and Stacey introduce the practical principles for a strong, inclusive program. These include: 1. Professional development for teachers working with students with special needs 2. Written documentation for teachers and learning assistants spelling out background information and proposed classroom strategies for each student 3. A program for identifying and training volunteer teaching assistants to provide one-on-one support for students in the school with special needs 4. An on-site learning lab that prepares students for success in the classroom, both on site and at satellite locations 5. An on-site supervisor who serves as a resource for teachers and parents
