Customer Reviews

Dr. Kilpatrick's book is politically incorrect, but it corrects many myths about jihad. Anyone interested in understanding the driving force behind jihad violence will find it enlightening. The author dives into the Qur'an and the life of Muhammad and shows how modern-day jihadists draw inspiration from them. The book also shows how Islamic radicals are successfully infiltrating and influencing our institutions by playing on American guilt over discrimination and bigotry. This is a great follow-up to Dr. Kilpatrick's other superb book *Christianity, Islam, and Atheism: The Struggle for the Soul of the West*.
