Customer Reviews

Excellent, good condition.

Love it.

Got this book for a friend and they seem to like it. It has an interesting story for the Universe that White Wolf has created. If your into role-playing games and an interesting story then this is a good buy, especially if you are into magic and such. Definitely a must have for the White Wolf and role-playing enthusiast. Only draw back to it is that it is a little hard to find and not very big for the overall cost. Sadly like most books for RPGs, the cover artwork has no bearing on the artwork

inside. However other than that its a decent buy for a hard to find book.
