# Salvatore: A Dark Mafia Romance

## Synopsis

Lucia all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. "I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia. Author's Note: Salvatore and Lucia's story is a steamy standalone romance with a happily-ever-after. No cliffhanger and no cheating. It is intended for mature readers.

## Customer Reviews

Wow. Salvatore drew me in and didn't let me up for air until the end finally came. I was enthralled, intrigued and became extremely invested in this story. The characters were well written, the story was compelling and the sex was scorching hot. The mafia boss meets the mafia princess and together they can either destroy each other or rule the world. But, what ultimately happened, is what neither of them expected. Then again, nothing was what it seemed at all. As Natasha Knight started weaving this tale, I was completely taken aback. The Benedetti Family not only believed in winning but in humiliating those they beat. The ultimate humiliation was right at the beginning and it went downhill from there. There was nothing that Salvatore or Lucia could do to stop it since it was at the hands of both of their fathers. They now had to live with the consequences and learn how to deal with the spoils of war. Salvatore had so many sides to him: He was the Mafia Boss that would take what he wanted. He was the man that knew what happened was wrong. He was the lover that could bring you to orgasm with just a look. He was the dominant that would tie you up and make you beg. He was the protector making promises that he only hoped he could keep. Lucia was defiant throughout most of this story. She hated the Benedetti's, especially Franco. And she let them know it whenever she was around them. But, Salvatore confused her. He was kind and considerate, then mean. He was gentlemanly, then dominant. He frustrated her with feelings that she never thought she would have for him. She hated him for standing by and allowing the contract to be signed and refused to understand why he didn't stop it. She didn't stop to think that he was as helpless as she was at the time.
