Customer Reviews

It made me feel tingly inside. Do you believe in Santa? It's a great book for all ages. After reading it to my daughter at bedtime, I had to read it again to my husband. We both really enjoyed the story as well as the beautiful illustrations (which, by the way, won an award). It is a truly a book which should be read every Christmas Eve.

The copy I received had dark, muddy illustrations with hardly any contrast. It had none of the glowing yellows or vibrant reds of the English version. I was very disappointed that the images looked so awful.

This book is great to read to your kids. The illustrations are beautiful. The story is full of Christmas magic. Your kids will love it!
