A collection of J.S. Scott's short stories. All of them very good brain candy. Not too short and not too long but just right! Another reviewer mentioned that it is the same story over and over but I disagree. Although the context of Alpha males tricking their counterparts is all the same, the variations of the

situation are all different. Once chased 'his' girl for over a year and another chased her every week and yet another stood by for years until finally doing something. It all makes for a good short read before bed or a quick afternoon delight. I have loved everything this author has written so far and am waiting for more!

The stories are steamy, but they are the exact same. The names are different and each has a slightly different scenario, but by the third or fourth you are bored. Been there, done that. In every story a man "tricks" an unwilling heroine to have sex with him. It starts against her will but she quickly acquiesces. Nothing new and I have no motive to keep reading. Buy any one of the author's single stories for \$.99 and know you have missed nothing.

I have just gone through a J.S. Scott marathon in the last few books I have read and more to come in my library from this amazing erotic author. All her novels & novellas have been an absolute turn on. This amazing collection is jam packed of short, erotic and sexy as hell novellas. What an erotic ride to have gone on all novellas being any woman's 10min break fantasy, while in a meeting or bored at your desk. I actually had read *Riding With The Cop* first and found it to be so well written for such a short (and I do mean short) story, that I purchased the whole collection and was not disappointed. Having read *Riding With the Cop* first I have to say it was still my favourite as an introduction to these passionate encounters, but *Secret Desires of The Counsellor* comes a very close second and I'm not even into BDSM. In short all women find themselves in erotic encounters with sexy alpha males who end up being blackmailed (I'd be happy with this kind of blackmail), into nights of erotic passion, similar themes with different encounters. I loved it for what it was, sheer and utter sexual fantasy.

WOW! Short, sweet and HOT! Just when I thought a story couldn't be topped, another did... I can only seem to think...WOW! If you are to wait at your kids game or practice, take a bus or train to work or wait at a Drs office, these short stories will definitely make time pass more enjoyable. Worth the money and time!

I got this after reading one of the stories in this collection I liked it so well I had to get them all. This is a great collection of Alpha males and female submission. All of these short stories grab you from the beginning and take you on a ride that you will want to read again and again. I would recommend these to anyone because they are short stories which means if you only have a short amount of

time you could read one or get lost in them and read them all

If you like your heroes a little alpha, aggressive, kinky, and dominant you will love this book. I would love to see a few of the stories fleshed out more. The first story (about the woman who rescues the cat in the tree) was one of them. The librarian and the cop were two others.

I BOUGHT THIS because of the author being JS. Scott. OMG, can u say HOTT . This is so freaking hot u will go to it room at least once to satisfy yourself or have it partners doing it. That is how HOTT this is. HOTT, wet, controlling men. Heck yeS. When I got the book I didn't realize it was this type or just lol stories but in so glad I read it. Freaking loved this. .

Every one of them were basically the same. The scenery was different, but the guys pretty much said the same thing, the women acted and reacted the same way, and the "love scenes" took place in the same manner. And what is with all of the cursing and crass language?! For an accomplished writer, Scott used language that brainless, cheap, untalented so-called writers do. I didn't enjoy it. There needed to be variety, a lot better conversation, and x-ray on the crudeness. Sexy talk does not equal disgusting speech. Neither does it call for always having the woman's arms restrained. One or two stories doing that, cool. But ALL of them? Monotonous. Too much sameness. Boring.
