MY HUSBAND AND SONS ARE GOING TO THE DAYTONA 500 THIS YEAR AS A CHRISTMAS GIFT FROM ME SO I THOUGHT THIS WOULD BE A GREAT WAY FOR THEM TO BOND UPON NASCAR TRIVIA. THE BOOK COULD HAVE BEEN PACKAGED A LITTLE BETTER BUT IT IS A VERY INTERESTING BOOK. WE ARE HAVING A GOOD TIME LEARNING THE TRIVIA ABOUT NASCAR.

The book was just what I was looking for. I can't wait to see my grandson's (who is a big NASCAR fan) face when he opens it on Christmas morning. It has soooooo much information in that I know he will love it.

I chose this book as a gift for my dad, a huge Nascar fan. We've spent lots of evenings asking each other questions, testing everyone's knowledge of Nascar. You can actually learn quite a bit of interesting history from this book. It was definitely a hit!

Way more information than I thought it would have, which is great! Love how it's separated out into question types, with the answer key following each section, rather than at the back of the book. Definitely makes a great gift for any new or old NASCAR fan!

For those who really believe they know NASCAR, this book will truly shake you up with its variety of questions about everything pertaining to NASCAR - the cars, the drivers, the win list, the tracks. I mean minutia material going back to the beginning of the sport. It would be a great game book to put that NASCAR "smart aleck" in his/her place. I have probably forgotten more than I learned from it!

This was a gift for my nephew. He loved reading all the statistics. He's been a fan since he was old enough to know what a car was!

My eight year old knows a lot about Nascar records, dates, drivers etc. after reading this book! He loves it!!! He knows things that some grown men that are Nascar fans don't know now! Great source of reading for him for the summer too!

I am a huge NASCAR fan and I know a lot about the sport but I learned a lot more from reading this excellent book about this sport.
