ISBN-13: 978-0873413190

Product Dimensions: 10.9 x 8.5 x 0.7 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (8 customer reviews)

Best Sellers Rank: #1,007,661 in Books (See Top 100 in Books) #13 in [Books > Engineering & Transportation > Transportation > Reference](#) #5140 in [Books > Engineering & Transportation > Automotive](#) #6731 in [Books > Science & Math > Technology](#)

## Customer Reviews

This book was bought solely to be used as a reference source for my model making hobby. Well laid out and excellent photographs make this a must for the model fanatic. Living in England there is not a great deal of decent reference material of this nature. So it was a pleasant surprise to be able to order this book on line and receive it within days and at an excellent price. I really cannot recommend this book enough.

This book has proved me with references for my models for every state except Hawaii of course. Although it is in B&W and not updated every year it is still a great buy.

It helps me really much in my search. I'm studying all in connection with the 49 principal STATE's car. It's a pity that the pictures are in B & W.... My value: 9/10

Book has good pictures for sure not to many history facts. had the best price for sure. Lots of good pictures. Stan Old Timer
