What Jesus Said: Words Of Jesus Christ From The Urantia Papers

Synopsis

Have you ever wanted to know what Jesus said without all the discussion, dialogue, and interpretation surrounding his words? Personally, I wanted to be able to understand what he said in response to his life situations and all the questions being asked of him without hearing somebody else tell me what he meant and without having to wade through all the other dialogue of various other characters that lived and wrote about Christ's life and teachings. That's what inspired the "What Jesus Said" project, beginning with "What Jesus Said: Words of Jesus Christ from the New Testament" (URL www..com/What-Jesus-Said-Testament-ebook/dp/B009XHM9TG), and now with the Urantia Papers, which detail several hundred pages of the life and teachings of Jesus. Although Christ's teachings are just the tip of the iceberg in the overall 2000 plus pages of the Urantia Papers, I believe they are compelling for those who want to know more about what Jesus actually said in the hopes of inspiring a mode of living that is true to his teachings.

Brilliant! Thomas Jefferson created a Bible distilled to just the words ascribed to Jesus. R.A. Devine has now done the same for the Urantia Papers. Also see: The Jefferson Bible The Abridged Urantia Papers Ron & Socorro Zebal Tucson, AZ

"What Jesus Said" are the most beautiful words I have ever read, and reading them makes me feel the reality of this God man who was here on our own world. Most inspiring!

Want to be inspired and uplifted? Encouraged and strengthened? Looking for purpose and meaning in life? "What Jesus Said" presents the words of Jesus as reported in the Urantia Book, and offers all of that and more. Those who believe that revelation is on-going and who have the courage to seek truth in new places will be well rewarded with this soul-satisfying book.

This is an extraordinary book at a great price, which is why I give it 5 stars. Jesus said we will know a tree by its fruits and if you read what this book says, you will know that the source it comes from, The Urantia Book, is the equivalent of a tree of knowledge, even if most Christians are unfamiliar with it. But that book is over 2,000 pages long (which is probably why so many people are unfamiliar with it). Mr. Devine has compiled an excellent introduction into the life and wisdom of Jesus in a highly readable format.
