Occupational Health And Safety For The 21St Century

Synopsis

This comprehensive examination of occupational health and safety explores hazardous agents found in the occupational environment, reviews their potential health effects, and identifies procedures for prevention of occupational illnesses and injuries. In 10 chapters, *Occupational Health and Safety for the 21st Century* first takes the reader through a detailed history of occupational health and safety efforts since Ancient Greece. It then examines each of the occupationally associated diseases and their epidemiology, including cancers, respiratory diseases, fertility and pregnancy abnormalities, hearing loss, infectious diseases, injuries and fatalities, and job stress. The final chapters examine prevention programs and research methods for this rapidly evolving field. Designed for undergraduate students across a broad spectrum of health and safety disciplines the book presents concepts in an accessible and engaging style. Key Features:

- Engaging, real-world vignettes in each chapter
- Loaded with charts, tables, and figures illustrating the most current data in the field
- Offers thorough coverage of occupational health policy, epidemiology, toxicology, chemical hazards, psychosocial aspects of work, and prevention efforts

Student & Instructor Resources: This text comes packaged with Navigate 2 Advantage Access, a comprehensive package of mobile-ready course materials including:

- Learn: A complete eBook with interactive tools
- Practice: A virtual Study Center with robust practice activities and flashcards
- Assess: A homework and testing Assessment center with prepopulated quizzes and examinations
- Analyze: Dashboards with learner and educator views that reports actionable data

Book Information

Paperback: 452 pages

Publisher: Jones & Bartlett Learning; 1 Pap/Psc edition (March 25, 2015)

Language: English

ISBN-10: 1284046036

ISBN-13: 978-1284046038

Product Dimensions: 7.6 x 1.2 x 9.9 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #389,643 in Books (See Top 100 in Books) #120 in [Books > Engineering & Transportation > Engineering > Industrial, Manufacturing & Operational Systems > Health & Safety](#) #265 in [Books > Textbooks > Medicine & Health Sciences > Allied Health Services > Occupational Therapy](#) #335 in [Books > Medical Books > Allied Health Professions > Occupational Therapy](#)

Customer Reviews

Good text, well written, easy to understand, educational.
