## Customer Reviews

I really enjoyed the book. There are some spelling and grammatical errors here and there, but overall, I learned a lot more about the Rastafari lifestyle than I thought possible. I felt a "good vibe" from the book. Check this one out if you are curious about what the term Rastafari means to a practitioner.

Great read. Answered many of my questions, and clarified some of my confusion. I did find the book a bit repetitive and that was the main drawback.
