# Dreams Revealed: Handbook For Biblical Dream Interpretation

## Synopsis

Dreaming is a time when God has our undivided attention, and He can speak to us, without us talking back or busying ourselves with something else that drowns out His voice. He uses dreams to tell us things about our purpose, prayers, character, and even hidden sin. An incredible amount of information is available to us in dreams if we will tap in to them and get understanding. As part of the "Dreams Revealed" series, the handbook for biblical dream interpretation provides the basic tools and information to get dreamers started understanding dreams. The book contains the scientific and spiritual basics of dreaming, an explanation of what to do with dreams, instructions for how to interpret dreams, and a dream symbol dictionary to explain the spiritual meanings behind words.

Pay attention to your dreams! They mean so much more than you think! So helpful, informational and overall a great read! I cannot wait to start logging mine and getting a deeper understanding of my own dreams. God has been speaking to me more than I imagined!

This is a great book! I dream a lot and want to understand what God is revealing to me. So, I have read several books on dreams. This is the best and most comprehensive book I have read on the subject. I really like the dictionary on word meanings in the back of the book, also. The author does not give you just a few words to understand but many with options for how words can be used in dreams. I would highly recommend this book to anyone!

I LOVE this book! Dreams Revealed helps you to understand that your dreams have meanings and how God encourages you, warns you, and gives you tools needed for direction in your life.
