Customer Reviews

I have to put this manifestation in context so that you can appreciate the POWER behind these rituals. I work for a major shipping company that looks like a dungeon. Work begins when most people are just two to three hours into their nightly sleep. The work is rough and so physically demanding that there are literally no women unloading the long 53 foot trailers. Some of the packages that we receive are heavy and you have to move very, very fast. To survive, we mentally

tell ourselves that it is our gym. Anyway, the only women that we see are the scanners. We place packages on a conveyor belt and the scanner scans them as they keep moving towards the trucks that send them to their destinations. Out of the handful of women, only one is attractive. Very, very attractive. She is nice and petite, tiny waist, perfect hips, perfect butt, and an adorable face. Naturally, because there are more guys than girls in the building, she is in high demand. But that was just one of the many obstacles. Here, let me list them: 1. Solitude -- the more you unload, the deeper you are in the 53 foot container. Enclosed by four metal walls. So you cannot interact with "anyone." 2. Hard Labor -- because the work is fast paced and the boxes are heavy, no women are ever assigned to unload. 3. 10 min break -- the only possible opening to interact with this beauty, was during break. It was a ten minute opening that actually felt like 3 minutes. Exhaustion caused me to not even want to get out of the truck. I just laid down on the halted conveyor belt to catch my breath. Besides, she was always taking her break with one of the other girls in the area. 4. Shift hours -- we all started work at a time when everyone was groggy, sleepy, and not in the best of moods.
