Birkon Artzi: Blessings And Meditations For Travelers To Israel

RABBI SERGE LIPPE, EDITOR

with Preface by Rabbi Rick Jacobs, President, Union for Reform Judaism
and Introduction by Bruce Feller, author of *Walking the Bible*

CENTRAL CONFERENCE OF AMERICAN RABBIS

Synopsis

Birkon Artzi seeks to create spiritual opportunities and responses for the thousands of Jews who journey each and every year to visit, study in, and get to know the State of Israel. With dozens of individual prayers, meditations, and readings, this pocket-sized birkon is your guide to uncovering the miracles and the magic of Israel. Entries include prayers before leaving, upon arrival, and for specific cities, bodies of water, unique moments, and most traveled sites within the State of Israel. This collection is an indispensable resource for anyone seeking to pause and acknowledge place and moment, to create connection, and to fashion memory. Birkon Artzi is an especially useful guide for those leading trips to Israel.

Customer Reviews

As someone getting ready to go to Israel, I was pleased to find this in softcover and then find that it was also available for Kindle. I use the Kindle app on my PC, my laptop, and also on my Motorola Atrix HD smartphone. I'll be borrowing my daughter's iPad for the trip. I have an "old school" Kindle (the one with the keyboard, not the touch screen) that I might take as well. So, technology isn't the

issue at all. It's just the ability to size the Hebrew text that's problematic. While the English text will scale up and down depending on your text size choice, the Hebrew text remains the same size. This has nothing to do with this book or publisher, it's a function of how Kindle currently handles alternate alphabets. The sample doesn't have any pages with the Hebrew text so it would be hard to tell what it looked like on your particular device.
