Customer Reviews

I bought this for someone who was looking for a Spanish version. I looked all over and found only one other one, but it was much higher in price. The price of this one fit my budget and made my friend so happy to be able to read this sacred book in her language. It is written in Spanish on one side and Hebrew on the other. Fabulous!

I gave the Torah to a Spanish speaking friend who love it! Now he has the Torah in his own language.

I'm giving this product 5 stars because it is well made, well translated and as described, It has one side in Hebrew and on the other side the Spanish translation. Only thing I did not like is that instead of translating the name of Elohim as YAHWEH, it says The Eternal One. Shalom.

CumpliÃ³ con todas mis expectativas, fÃ¡cil de leer y comprender

Me encanta esta tora una que debe estar en tu estudio.

Beyond her ability to get it by herself, as the price was costly. Just as I said above has the answers for a hunting consumer.
