The Kemetic Tree Of Life Ancient Egyptian Metaphysics And Cosmology For Higher Consciousness

Synopsis

In the early period of Ancient Egyptian history, earlier than in any other culture, before the Hindus, Buddhists, Kabbalists and Taoists, there was a teaching of the TREE OF LIFE. This was a special teaching describing the secret wisdom about the nature of the universe and of the soul as well as a path to make the journey, through varied phases of spiritual evolution, from mortal to immortal and from earth to heaven and beyond. The goal is to regain one's divine stature and transcendental place. In its earliest form, originated in Ancient Egypt, it was related to theurgical religious system developed in the priests and priestesses of the Ancient Egyptian city of Anu and the Tree was seen as the source of life. This book explains that teaching, which has been available to all, but missed by those who did not possess the keys to unlock its mystic formula. In this volume the Creation teaching of Anu, the TREE OF LIFE metaphysical teachings, disciplines and techniques, from the hieroglyphic texts, are given.

Customer Reviews

This review made prior to mine is totally erroneous and full of errors in understanding of the teachings of this book. Let's start with the first statement "There is so much nonsense passed off as 'scholarship' in 'Dr' Ashby's books that it really boggles the mind." Yet this statement is made only to calumniate the author and not refute the scholarship that the author provided with historical dates, locations, anthropological evidences, Greek historical quotes book sources for statements made within his opus. Next statement "These books come out of the black nationalist movement, where fabricated history is passed off as authentic. Where every African-american is descended from the

Ancient Egyptians, nevermind the fact that their tribal origins can be identified from simple DNA testing." Yet the author of the book never made the statement in this book nor any of his 60+ books of African Americans being from Egypt, on the contrary Dr.Ashby's book does state the biological fact that ALL PEOPLE ON EARTH have their ancestry from Africa and that all humanity is related as brothers and sisters. Dr.Ashby is a teacher of Yoga "union"not the racial rhetoric that the previous reviewer is attempting to place on him. The previous reviewer stated "Ashby and his ilk are selling fantasies as reality and contributing to the intentional deception of ethnic origins that have caused so many blacks to feel lost and unrooted in America." Again there is no fact in this statement merely opinion based on erroneous understanding of the teaching in this book and deep seeded issues that has given the reviewer prejudice to this opus."The genetic fact is that African-americans came from Africa.
