Teddy Bear Treasury: Identification And Values

Synopsis

This beautiful new guide has had each item carefully chosen from the authors extensive and amazing personal collection. Most of the bears in this adorable book have never before been photographed, and many of the major teddy manufacturers are represented. A great pictorial reference, this book provides an opportunity to learn more about one of the most lovable toys ever made.

Customer Reviews

Ken Yenke presents a wide variety of his own, personal vintage teddy bears. His format highlights the features of each bear and gives the quality and price range. What makes this book stand out are the history and anecdotes pertaining to each bear and the photos showing each in a unique setting. This is a great book for those who like to look at special teddies as well as a collector's tool for determining identification and values.

Ken Yenke has presented a wonderful assortment of antique/vintage bears for the new and advanced bear collector to admire. The information in this book serves as a great guideline to what enhances a bear and specific price ranges to help acquire bears. The pictures give collectors ideas on how to successfully incorporate their bears in charming scenes with accessories, especially in the home. I would recommend this book to anyone who has an interest in seeing and learning more about antique bears.

A fun book, great pics of old teddies to help you identify your collection ‘• Nice book to buy used.

Excellent book, very useful and informative. If you are an arctophile you will find this book to be an essential part of your collection!
